

BizTrack – Every Screen

The complete screen inventory of the running system, one screen per page with route, role, and annotations. Captured live from the app (which was rebuilt pixel-faithful to the team's Canva prototype). This document stands in for the Figma board until the plan quota allows a native push – each page maps to what would be a Figma frame.

39 screens · Auth & Public · Business Owner · LGU Office Staff · Super Admin

Companions: BizTrack-System-Handbook.pdf (how it all works) · BizTrack-Screen-Flow.pdf (the flow board)

Mr. John Sy

June 24, 2026 11:23 am

Dear Applicant,
Good day.

After reviewing your business permit application, we found that additional documents are required to continue processing your application.

Please submit the following requirements at your earliest convenience:

- Updated Barangay Clearance
- Copy of Valid Government-Issued ID

Kindly submit the documents within 5 working days to avoid delays in processing. For questions or clarifications, feel free to contact our office. Thank you for your cooperation.

Sincerely,
Business Permits and Licensing Office
